Thai Square: *"The doorway to the taste of Thailand"*

Thai food has become one of the most popular dishes in the UK and indeed, is recognised as one of the world's great cuisines.

Thai Square is the leading group of Thai restaurants in the UK and our chefs are constantly developing new recipes, incorporating authentic ingredients to produce both traditional and contemporary dishes.

We have compiled more than a thousand exotic dishes and Thai Square now offers a selection of these in all its restaurants.

Thai food is not only highly appetizing, but also very nutritious. Our chosen dishes are low in fat and nutritionally well balanced. Our carefully selected recipes are deliciously tasty and meet a variety of dietary needs as indicated on our menus.

We look forward to welcoming you with true Thai hospitality.
